

Features:

- 130 Lumens per Watt
- Revolutionary heat sink design for superior heat management
- Adjustable beam angle
- 7-year warranty
- Sleek modern design is both aesthetic and functional
- Power Factor >0.9
- Operating temperature -20° - +50°C/ -4° - +122°F
- 10kV surge protection included
- Available in 3000K, 4000K, and 5000K
- UL, DLC, RoHS, & FCC approved
- Workable voltage 90-305V
- 0-10V Dimming standard
- Rated for wet locations
- Surge protection included

Applications:

- Tunnels
- Street Underpass

Model Number	Lumen	CRI	Voltage	Color Temp (K)	Watts	Lumens per Watt
